

Infinix EZTM Universal Ceiling Mount.

Professional Mounting Solution designed for quick installation into any standard suspended ceiling.

Perfect for Flat or Angled Ceilings.

The smooth ball and socket joint provides effortless angle adjustment for a perfect installation onto flat or angled surfaces. Perfect for cathedral style ceilings.

Tool Free Maintenance & Bulb Replacement.

With the InfinixEZ quick release thumb-screws your projector can be easily removed for maintenance with our tool-free quick release system.

Universal Compatibility.

Not sure what projector you're going to buy, or concerned about future compatibility when you upgrade your projector? No need to worry. Our mount design ensures compatibility with nearly every projector on the market that is designed for inverted mounting.

Tough As Nails.

Utilizing our extra strong MagTufTM steel construction, the Recordex Infinix EZTM is built for the rigors of commercial environments and our black finish is both strong and scratch resistant. Designed to complement any decor or environment.

Clean Cables.

The hollow extension column provides integrated cable management for a clean looking installation.

Need More Drop?

When working with hard ceiling installations we realize drop can be a big issue. We offer the Infinix EZTM in two models to accommodate drops from 8.3" all the way to 33". All feature the same tool-free design, universal compatibility, and ease of maintenance.

Lots of Warranty At No Extra Charge. Our 2-year warranty backs up our commitment to quality with extra peace of mind at no extra charge.
