CABLE:	EPIC replaceable cable and MFI Cable
CABLE LENGTH:	52" / 132 cm
FEATURES:	Premium comfort tips, mini-monitor vault, cleaning tool, and 2-year warranty

## HIGH PERFORMANCE EARPHONES

**Ideal for:** Personal audio and video devices.

### Westone True-Fit Technology

50+ years experience with in-ear applications has yielded a low-profile, lightweight, universal earpiece which delivers maximum comfort and in-ear coupling for dynamic transfer of sound.

### Replaceable Cable

New replaceable cable connection includes the braided EPIC cable and round MFI cable with 3-button control and mic.

### 3-Button Apple Control System + Mic

Function control for Apple products including volume +/–, tracking +/–, phone answer, and Siri activation.

### Balanced Armature

Westone's balanced armature drivers are significantly more compact and efficient than traditional dynamic drivers. By combining multiple balanced armature drivers with sophisticated crossover networks, Westone monitors provide enhanced sonic detail and frequency range that extends well beyond typical in-ear solutions.

### Metallic Faceplates

Multiple metallic color faceplates with secure attachment.

### Mini Monitor Vault II

Constructed of a high-impact polymer, it's the perfect size for travel and storage. Features a protective foam interior and weather resistant design.
