

Wire Rope Assembly 1/4" Diameter 7x19 GAC

PRODUCT DETAILS

ATM Fly-Ware maintains a comprehensive inventory of standard length wire rope slings and in a variety of diameters to accommodate various working load requirements. They are produced domestically and load rated to assure safe and predictable installations. Wire rope assemblies are the most economical way to span and bridle from overhead structures and, because they are produced in the factory, their length tolerance accuracy and integrity far exceeds those produced in the field.

PRODUCT SPECIFICATIONS

- Materials:** Steel Aircraft Cable 7X19
- Diameter:** 1/4" .025 / 6mm
- Finish:** Galvanized
- Color:** Silver
- Design Factor:** 5:1
- Working Load:** 1400 lb / 636 Kg
- Assembly:** Galvanized Steel Thimble
Zinc plate over copper oval sleeve
