

DisplayStation Series

carts & stands

DisplayStation Series Carts and Stands are a collection of display solutions that are application-engineered for easy integration. Every model ships with an installed power strip, saving time and money and features a convenient cable management system that simplifies wiring during installation and servicing. DisplayStation Carts and Stands are ideal for simple video teleconferencing, presentation and digital signage systems.

Features

- Every model ships with an integrated power strip
- Designed for professionally-finished installations with a convenient cable management system and power strip incorporated into the support channel
- UL Listed to the highest standard for safety in multi-use environments including public, educational and institutional spaces
- Portrait to landscape adjustability of screen orientation with display mounted (single post models only)
- Competitively-priced
- Available with casters, levelers or floor plate
- Mounts single displays up to 100" (VESA 1000 models)
- Includes hex bits for faster assembly
- Attractive aluminum finish
