

LIFT70 product information sheet

Raise your TV to fit your life! The LIFT70 allows you to raise or lower your TV to the ideal position for watching movies, gaming, exercising and more. The LIFT70 is equipped with Ergotron's patented Constant Force technology, providing fluid, light-touch adjustments for tilt and vertical movement. LIFT70 remains virtually hidden as TV glides up and down. Sit. Stand. Stretch. Play – all at the perfect height and angle.

Product Benefits*

- Position your TV at the perfect height
- Raise it for standing activities like gaming
- Patented Constant Force technology requires only a light touch to move
- Ideal for many TV activities
- Tilt your TV to reduce glare
- Discreet mounting hardware disappears behind the TV
- Low profile keeps TV close to the wall
- Lift n' Lock™ enables secure, easy 3-step installation
- Mounting template included
- Easy single-stud mounting
- Includes complete hardware kit for easy installation
