WIRELESS

SINGLE-DRIVER EARPHONE + BLUETOOTH

Overview

The Westone® Wx features our proprietary balanced-armature drivers, as well as Bluetooth 4.0 with aptX™ technology. The Wx uses this technology to deliver extraordinary detail and clarity and a dynamic soundstage that has never been available in a Bluetooth product before. Drawing on Westone's nearly 60 years of experience designing products for the human ear – the Wx is the most compact, ergonomic, and comfortable high performance Bluetooth earphone on the market today.

Tech Specs

Sensitivity	114 dB @ 1mW
