

# DELUXE LAPTOP STAND

## LPT7000 | 13430

## FEATURES AND BENEFITS

In the Studio or on the road, the durable, versatile, portable and sleek On-Stage LPT7000 puts your laptop right where and when you need it. All steel tripod construction, complete with easy height adjustment knobs and non-slip rubber feet, ensures stability and durability, while the 15.5" x 11" desktop platform complete with sure, smooth angle adjustment features an 11" x 7" non-slip silicone pad for secure, vibration dampening laptop placement. Height adjustable from 31" to 51" with black powder coat finished for spotlight-ready optics and added protection, the LPT7000 provides laptop access as precise and immediate as your performance.

The LPT7000 is lightweight and extremely durable. Easy to setup and breakdown, it is convenient for both stage and studio use.
