

LUMA 2 R

PORTABLE PROJECTION SCREEN

■ The LUMA 2 R is a large, portable, spring-roller operated projection screen. A simple, practical choice whenever a large portable screen is required. Simple design with rugged construction, the steel case is finished in black with matching endcaps. The Luma 2 R is inverted and cradled in the floor stand (sold separately).

FEATURES

- **ADJUSTABLE FLOOR STAND:** Part No. 212001 (Sold Separately - REQUIRED for Luma2/R to operate correctly). Stand is made of heavy gauge steel and anodized aluminum. The Floor Stand supports the Luma 2/R in an inverted position at floor level. Telescoping upright holds top of viewing surface when extended (maximum of 12' (366cm)). Floor Stand assembles easily without tools. No Floor Stand component is longer than 6' (183cm).
- **WARRANTY:** One year against defects in materials and workmanship.

OPTIONS

- **VIEWING SURFACES:** Available with Matt White XT1000E [viewing surface](#).
- **STEEL CASE:** Scratch resistant black case can be covered with black carpet upon request.
- **BLACK BORDERS:** Available with 2" black borders for AV format upon request with no additional charge.

SIZES

- **4:3 FORMAT:** from 10' (305 cm) to 15' (457 cm) dia.
- **AV FORMAT:** from 72" x 96" (183 cm x 244 cm) to 12' x 12' (366cm x 366 cm) viewing area
- **CUSTOM SIZES AVAILABLE**
