

# CUE SHEET — Copy and use this sheet to record mixer settings

**MixWizard** DUAL FUNCTION 4 GROUP MIXER

The diagram shows a control panel for the WZ14:4:2+ mixer. It is organized into several sections:

- Channels 1-14:** Each channel has a gain knob, a 3-band EQ (HF, MF, LF), a 3-band graphic EQ, a pan knob, and a fader. Channels 1-10 are labeled 1-10, 11-12, and 13-14.
- Master Section:** Includes group controls (1-2, 3-4, L-R, S-6), a monitor section with level and pan controls, and a main output section with stereo faders and a mono output.
- Controls:** Includes gain knobs, EQ knobs, pan knobs, faders, and various buttons like 'MONITOR', 'L-R', 'S-6', 'L5', 'R6', 'PEAK', 'M', 'L', 'R', 'L5', 'R6'.
- Branding:** The Allen & Heath logo is prominently displayed in the center-right.

Notes:
