SS7730

Classic Speaker Stand

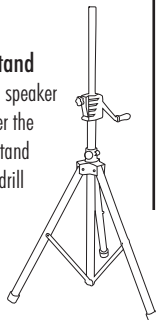

The steel-aluminum design on this affordable speaker stand make it both lightweight and durable. Use either the 1 3/8" diameter upper sleeve or the included 1 1/2" adapter sleeve for a universal fit.

SS8800 +

POWER Crank-Up Speaker Stand

By far the easiest method of raising speaker cabinets 80" off the floor. Use either the removable manual handle on this stand or any standard electric or cordless drill to operate the easy-to-use POWER Crank-Up system. (Drill not included)
