AKG 600MHz WIRELESS TRADE-IN PROGRAM TERMS AND CONDITIONS

This rebate offer is made exclusively by Harman Professional, Inc. ("AKG") subject to the following terms and conditions:

1. Offer valid only for new purchases of the following AKG WIRELESS MICROPHONES or IN-EAR MONITORS: AKG DMS800, AKG WMS4500, AKG IVM4500, AKG WMS470, and AKG WMS420 ("Eligible AKG Products") from an authorized U.S. retailer.
2. Offer requires a one-to-one trade of one (1) complete working channel of eligible products for rebate on one (1) new channel of eligible AKG product. A complete working channel is defined as at least one (1) wireless transmitter and at least one (1) wireless receiver of the same brand, model, and frequency band. For multi-channel systems, rebate eligibility is calculated on total number of complete working channels submitted by rebate claimant. For example, a four-channel (4) receiver and two (2) transmitters are considered two (2) complete channels and would be eligible for rebate against the purchase of two (2) new eligible complete AKG wireless channels. For a list of eligible products, please visit <https://www.akg.com/pro/600rebate>
3. Current eligible AKG Products may change subject to new product introductions and/or discontinuation of existing products. Applicable rebate amount specified is for each complete wireless channel purchased of eligible AKG Product, provided that a rebate claim is properly made and submitted in accordance with this offer and is subject to all other applicable terms and conditions:
 - DMS800 \$350/ch.
 - WMS4500 \$250/ch.
 - IVM4500 \$250/ch.
 - WMS470 \$100/ch.
 - WMS420 \$50/ch.
4. This rebate offer is available only to the original purchaser, and only if the new AKG product is purchased from an authorized U.S. dealer. An authorized U.S. dealer is defined as one who has been authorized by AKG to stock and sell its products in the Continental United States, Alaska, and Hawaii, who appear on a list published by AKG.
5. Qualifying purchases must be made on or after June 15, 2017 (the "Promotion Start Date") and on or before April 30, 2018 (the "Promotion End Date"). Prior purchases do not qualify. Distributors, retailers, contractors, consultants, system integrators, and other resellers of AKG, Harman International, or Samsung products, together with their employees, agents, representatives, and families are not eligible for this rebate offer, nor may AKG, Harman International, or Samsung distributors, retailers, resellers, or their employees, agents or families claim rebates on behalf of qualifying purchasers. Rebate claim and qualifying trade-in system must be received by AKG within 180 calendar days of purchase or offer is null and void.
6. This offer is valid only for new, factory sealed AKG products and does not include used, "B-Stock," refurbished, demonstration models, floor samples, "open box," or any other merchandise condition.
7. AKG reserves the exclusive right to determine eligibility and reserves the right to require additional information from claimant to verify rebate eligibility.
8. Rebate claimant is solely responsible for all shipping costs and assumes all risks therewith. AKG is not responsible for lost, stolen, misdirected, or damaged packages, regardless of the method of transmission, or any printing, typographical, administrative or technological errors in any materials associated with this promotion.
