AUDIO

Schecter

SCHECTER STILETTO STUDIO These basses feature a mahogany body with a bubinga or quilted maple top. The neck is made of 3 pieces of maple and 2 center strips of walnut and is a thru-body construction. The pickups use EMG's Ceramic and Steel design to deliver smooth attack and a flatter high end. Available in 4, 5, 6, and 8 string versions as well as left-handed. Visit fullcompass.com for all options.

SCHECTER STILETTO CUSTOM Available in 4, 5, or 6 strings the Stiletto Custom bass guitars all feature active EMG electronics, a 6-bolt maple and walnut neck, mahogany bodies with quilted or flamed maple tops, Schecter S-Tek bridge, and dot inlays. Also available left-handed. See website for details.
