**ON-STAGE SMS6000-P STUDIO MONITOR STAND**

The stand's height adjusts for listening while sitting or standing (from 31"-61" with pre-set positions every 4") and will lock in place with a security pin. Holds up to 90lbs. 3 adjustable leveling spikes on the bottom of the base (18" spread) keep this stand stable on any carpeted surface. The entire stand breaks down into 3 pieces for easy storage and travel. Gross weight is just under 25.5lbs. Comes in black.

ITEM	DESCRIPTION	PRICE
SMS6000-P	Near-field studio monitor stand (pair)	104.99

**ULTIMATE**

**ULTIMATE MS SERIES MONITOR STANDS** Sturdy and sleek studio stands that put your monitors at ear level. The cable management system eliminates tedious feeding of cables and wires. Lay them in the open-faced channels and snap on the back cover. A rubber-padded platform isolates the cabinet from vibration. To eliminate sound dampening, metal spikes on the base corners go through carpet and padding to rest on the subfloor. Each stand has a 9" x 9" top plate, 14" base, and load capacity of 75lbs. The stands come in pairs.

ITEM	DESCRIPTION	PRICE
MS36B2	36" stands, black (pair)	199.99
MS45B2	45" stands, black (pair)	209.99
