YAMAHA P-105 DIGITAL PIANO This 88-note, graded-hammer standard, weighted-action keyboard feels heavier in the low end and lighter in the top, just like the keys of an acoustic piano. The PureCF sound engine recreates the sound of Yamaha's CFIIIS concert grand piano. Also new, the USB to Host port and line-level AUX outputs allow a variety of connectivity options with everything from an amplifier to an iPad. Its 128-note polyphony ensures the suppression of dropped notes even with simultaneous dual, split, and drum pattern playing. For EQ, an Intelligent Acoustic Control provides full, balanced sound that adapts to your volume setting for the best possible tone at any level.
