HRSTD-II

HSA

**HSA ROLLTOP AUDIO DESKS**

HSA desks and racks provide a way to house audio and video equipment in style. Handcrafted from premium northern oak faces, with solid oak tambours, they look like expensive furniture (but reasonably priced!), but open the roll top, pull out the hidden lower racks, and you can house virtually anything! HSA desks and racks can be custom-ordered for specific requirements and measurements as well. We handle the complete line of HSA desks and racks, call your sales professional for assistance.

Sound Construction & Supply, Inc.  
*First in Vision, Innovation, Design & Durability*

(MIXER NOT INCLUDED)

**SOUND CONSTRUCTION CUSTOM CONSOLES RECORDING STUDIO FURNITURE**

These Custom Consoles feature ergonomic designs keep your hands on gear at arms reach. The mixing desk Consoles are manufactured from the finest select hardwoods, multi-ply cabinet grade plywood and all work surfaces are covered with real laminate – never particle board or melamine. There are many options available for Digidesign (incl. C124, D Control/Icon, D Command, Control 24, DS RS), Toft, Yamaha (IM8, DM2000, 02R96), Tascam (DM-3200/4800) and more consoles. Standard wood trims include white oak or maple with a hand rubbed satin finish. Optional finishes such as walnut and custom hardwood are available. For all Custom Consoles you can add 1 or 2 IsoBoxes and you have a digital audio workstation that's at home in any audio or video recording, editing or broadcast application. Matching studio equipment racks are available in standard or custom configuration. Call for more information.
