SKB STANDARD 19" ATA RACK CASES

Lightweight, yet strong, the SKB 19" racks are made of military-grade ultra-high molecular-weight polyethylene material. They are stackable and less than half the weight of wooden racks. The draw-tight latch front and rear covers are gasket-sealed to keep out moisture and dirt. With the front cover removed, the 19" mounting flange is close to the edge, which makes it extremely easy to visually read the dials and LCD screens on the front of your equipment.
