**GRETSCH GUITARS DIXIE SPECIAL BANJO**

A 26-3/8" scale 5-string open-back banjo with professional features. The comfortable, stable rock maple neck is a joy to play, as is the rosewood fretboard with frailing scoop and vintage-style B&D inlay. The rolled brass tone ring allows your notes to ring loudly with clarity while the Vega-style armrest provides comfort while suspending your arm over the 11" Remo Renaissance head with 24 tension brackets. Other features include vintage-style "No Knot"-type tailpiece, 1-3/16" nut, geared die-cast machine heads and nickel-plated hardware.

M510

M510E

**IBANEZ M SERIES MANDOLINS** Since the 1600's mandolins have been an important part of folk music, lending their uniquely crisp sound to many an arrangement and performance from traditional folk to modern country and bluegrass. These 4-course A-style instruments both feature a spruce top which provides clear, bright tone, mahogany back/sides/neck, chrome tuners, and rosewood fretboard and floating bridge. M510E adds a magnetic neck pickup with volume/tone controls for microphone-free amplification.

ITEM	DESCRIPTION	PRICE
M510	Mandolin	149.99
M510E	Acoustic-electric mandolin	199.99

**THE LOAR CONTEMPORARY F-STYLE MANDOLIN** These mandolins are assembled by hand using hand-carved solid spruce tops, carved flame maple back and sides and a figured maple neck. The LM-500's ebony fretboard extension is scooped allowing the player to pick closer to the neck joint. The headstock has a new fleur-de-lis inlay and carved frond shape. Grover tuners and an ebony bridge compliment the other professional features, making this mandolin suitable for any player.

ITEM	DESCRIPTION	PRICE
LM-500-VS	F-style Mandolin	699.99

**THE LOAR PERFORMER A-STYLE MANDOLIN** This mandolin uses hand-shaped X-bracing and stripped-down appointments to create an instrument that has all the sound you'd expect at a lower cost. The top, back and sides are hand-carved solid maple. The maple neck has a rounded v- profile that fits the hand perfectly and a single layer ivoroid binding for a streamlined look. High quality Grover tuners, nickel hardware and a thin lacquer finish combine to give this mandolin professional quality sound.

ITEM	DESCRIPTION	PRICE
LM-220-VS	A-style mandolin	399.99
