

BENQ SH915 3D DLP PROJECTOR This projector features NVIDIA 3DTV PC connectivity, +/-30° vertical keystone correction, a 1.5x zoom ratio, and a 5W speaker.

ITEM	DESCRIPTION	PRICE
SH915	4000 lumens, 1080p, 11,000:1 contrast ratio	1499.00

BENQ LARGE VENUE DLP PROJECTORS The SH940 and SH963 feature SD/HD up-conversion to Full HD, Crestron® RoomView® compatibility (SH940 only), a 1.5:1 zoom ratio, and +/-30° 2D vertical and horizontal keystone correction. The MX766 and MW767 are Crestron and PJ-Link compatible and allow for PC-less presentation via USB.

ITEM	DESCRIPTION	PRICE
SH940	4000 lumens, 1080p, 50,000:1 contrast ratio	2499.00
SH963	6000 lumens, 1080p, 8300:1 contrast ratio	4973.75
MX766	4000 lumens, XGA, 13,000:1 contrast ratio	1249.00
MW767	4200 lumens, WXGA, 13,000:1 contrast ratio	1299.00
5J.J0614.A21	Wireless USB dongle for SH910	48.54

BENQ BUSINESS DLP PROJECTORS The MX720 and MW721 feature DLP Link™ supported 3D projection, multiple display options (4-1, partial projection), a 10W speaker, closed captioning, Crestron® RoomView® and PJ-Link compatibility.

ITEM	DESCRIPTION	PRICE
MX720	3D projector, 3500 lumens, XGA, 13,000:1 contrast ratio	749.00
MW721	3D projector, 3500 lumens, WXGA, 13,000:1 contrast ratio	799.00
5J.J0614.A21	Wireless USB dongle	48.54
5J.J7L25.001	3D glasses	77.00

BENQ SMARTECO DLP SHORT THROW PROJECTORS With an increased lamp life of 10,000 hours/10+ years, these short throw projectors offer Blu-ray Full HD 3D support, support of additional 3D formats (frame sequential, frame packing, side by side, top bottom), +/-30° vertical keystone adjustment, and Crestron and PJ-Link compatibility.

ITEM	DESCRIPTION	PRICE
MX819ST	3000 lumens, XGA, 13,000:1 contrast ratio	749.00
MW820ST	3000 lumens, WXGA, 13,000:1 contrast ratio	849.00

BENQ SHORT THROW INTERACTIVE CLASSROOM DLP PROJECTORS These projectors feature a 13,000:1 contrast ratio and Crestron and PJ-Link compatibility over LAN control. The MW821ST has 3D capability (field-sequentials, frame-packing, top-and-bottom, and side-by-side) over HDMI and 4-1 or partial projection display options (among others) over LAN. The MW824ST has Blu-Ray Full HD 3D support. The MW821ST is PointDraw and QDraw compatible while the MW824ST is PointWrite-compatible and Android device-compatible via MHL Connectivity.

ITEM	DESCRIPTION	PRICE
MW821ST	3000 lumens, WXGA	799.00
MW824ST	3200 lumens, WXGA	799.00
5J.J8E26.A01	PointDraw 3.0 Kit – dongle, pen, charger, QDraw3 software	199.36

BENQ EDUCATION DLP PROJECTORS The MX661 features wireless display and PC-less operation via USB, a 1.97-2.17 throw ratio, a 1.1:1 zoom ratio, and +/-40° vertical keystone adjustment. The MW821ST is compatible with the PointDraw 3.0 pen and QDraw 3 software, which allows for on-screen annotating and is compatible with Mac, Linux and Windows devices. The MW821ST also features 3D format support (frame sequential, frame packing, side by side, top bottom), Crestron® and PJ-Link™ compatibility, and multiple display options (4-1, partial projection). The MW853UST features Blu-Ray Full HD 3D support, (2) 10W speakers, and is compatible with PointWrite, which allows teachers and up to 4 students to simultaneously collaborate and annotate projected images.

ITEM	DESCRIPTION	PRICE
MX661	3000 lumens, XGA, 13,000:1 contrast ratio	549.00
MW821ST	Short throw projector, 3000 lumens, WXGA, 13,000:1 contrast ratio	799.00
MW853UST	3D-ready ultra-short throw projector, 3200 lumens, WXGA, 10,000:1 contrast ratio	1249.00
5J.J0614.A21	Wireless USB dongle for SH910	48.54
5J.J8E26.A01	PointDraw 3.0 Kit – dongle, pen, charger, software	199.36
5J.J8L26.20E	PointWrite Pen Kit – 2 pens, sensor module, USB cable, install CD for MW853UST	199.36

ASK Proxima

PRESENTATIONS MADE EASY.

**POWERFUL IMPRESSIONS,
EFFECTIVE SOLUTIONS.**

C520

Super Bright, Highly Capable

The Proxima C520 portable projector is packed with features. With up to 6,000 hours of lamp life in economy mode, the C520 features liquid crystal display technology and built-in edge-blending software, as well as RS-232 for network control and projector monitoring. Mobility you want with flexibility you need.

C431W

Practical, User-friendly Projection

The C431W from Proxima is a rugged and durable user-friendly projection display with liquid crystal display technology for color accuracy. The lamp cover is conveniently located on the top of the projector for easy replacement. With multiple input options, built-in edge-blending and RS-232 features, the C431W is everything a projector should be.

S430W

Short-Throw, Big Picture

The short-throw projector S430W from Proxima. The short-throw lens can project an image up to 80" (diagonal) from a distance as little as 29", allowing the viewer to see what's on the screen without a shadow. Corner keystone correction allows the adjustment of all four angles of the image. These are ideal tools for when the projection environment is less than ideal.

Note: The Educare 5 year warranty only applies to qualified education customers.

C3327W-A

Impactful Portability

The Proxima C3327W-A portable projector is packed with features. With up to 6,000 hours of lamp life in economy mode, the C3327W-A features three-panel LCD technology and built-in edge-blending software, as well as RS-232 for network control and projector monitoring. Mobility you want with flexibility you need.

US1315W-A

Ultra-Short, Ultra-Competitive

Short on space? The ultra-short throw projector from Proxima, the US1315W-A, delivers a large image from a super-small distance. Whether mounted on the ceiling or below the screen, the US1315W-A provides a bright picture with astounding color with its three-panel LCD technology and feature-rich with a variety of inputs and color/picture management tools.

About ASK Proxima

ASK Proxima, the long-standing, venerable brand in digital video technology, manufactures a full line of high-performance projection displays. Powerful impressions, effective solutions, find it all with Proxima projectors.

ETUK20	Geometry Management Pro upgrade kit, for all except PTDW17KU	1835.46

PTVX510U

PANASONIC PT-VW440 SERIES LCD PROJECTORS These low-noise conference room/classroom projectors feature Panasonic's Daylight View ambient-light compensation technology, as well as 1.6x zoom lenses, a built-in 10W speaker, +/-30° vertical keystone correction, and vertical lens shift. The PTVW431DU's Digital Link feature allows you to transmit HDMI, uncompressed HD digital video, audio, and control signals over Cat5e cable (ETYFB100G required). The PTVX505NU is compatible with Panasonic's iOS app for iPod, iPhone and iPod Touch, while the non-wireless models are compatible with PJ-Link protocol and Crestron Connected software. Replacement lamps, filters, mounts, and additional lenses are sold separately - please contact your sales representative for more info.

ITEM	DESCRIPTION	PRICE
PTVW440U / PTVX510U		
PTVW431DU	4800 lumens, WXGA	1249.90
PTVW431DU	4300 lumens, WXGA	1443.42
PTVX510U	5500 lumens, XGA	1442.35
ETYFB100G	Digital interface box for PTVW431DU	1530.14

PTFX400U

PANASONIC LCD INSTALLATION PROJECTORS Both models feature a 600:1 contrast ratio, a 2x manual zoom lens with horizontal/vertical lens shift, manual focus, and +/-30° vertical keystone correction.

ITEM	DESCRIPTION	PRICE
PTFX400U	4000 lumens, XGA	1649.00
PTFW430U	3500 lumens, WXGA	1749.00
ETEMF100	Replacement filter unit	69.70
ETLAF100A	Replacement lamp unit	359.69
ETWM200U	Wireless module	148.50

Panasonic

NEW!

PTR2670

PANASONIC 1-CHIP DLP LASER PROJECTORS These filter-less projectors are optimized for long lasting, long term use and feature Panasonic's Detail Clarity Processor 3, System Daylight View 2, and Rec. 709 mode for natural clarity, enhanced color perception, and accurate colors, respectively. Other features include 10-bit signal processing, DICOM simulation mode, waveform monitor, multi-screen support, and multi-unit brightness control for superior image uniformity across multiple units. PJ Link™ compatible, plus can send HDMI, uncompressed Full HD video, RS-232C, and Ethernet signals over one Cat5e cable.

PTDZ770UK

PANASONIC HIGH BRIGHTNESS DLP PROJECTORS These dual-lamp projectors feature powered zoom, powered focus, vertical and horizontal powered axis shift, vertical keystone correction, DICOM mode, edge blending, and side-by-side projection (PTDZ770UK and PTDW740US only). PJLink, Crestron RoomView, and AMX Device Discovery compatible. Models are available in black and silver, and with/without lenses. Additional lenses, replacement lamps and filters are also available – please contact your sales representative for more information.

ITEM	DESCRIPTION	PRICE
PTDZ770UK	WUXGA, 7000 lumens, 2500:1 contrast ratio	9499.00
PTDW740US	WXGA, 7000 lumens, 2000:1 contrast ratio	6299.00
PTDX810US	XGA, 8200 lumens, 2000:1 contrast ratio	6099.00

PTDZ680US

PANASONIC INSTALLED DLP PROJECTORS These dual-lamp projectors feature 10-bit image processing, DICOM simulation mode, and a liquid cooling system that directly cools the DLP chip. Additional features include a multi-screen support system (edge blending, color matching, multi-screen processor), simultaneous PC/video projection (PTDW640 only), and PJ-Link, Crestron RoomView, AMX Device Discovery compatibility. Also available in black. Replacement lamps, filters, mounts, and lenses are sold separately – contact your sales representative for more info.

ITEM	DESCRIPTION	PRICE
PTDX610US	6500 lumens, XGA, in silver	3999.00

PTEX12KU	12000 lumens, XGA, 4000:1 contrast ratio, dual-lamp, no lens	13499.00
ETMD16SD1	HD/SD-SDI input signal board	2547.27
ETLAE16	Replacement lamp	951.39

Panasonic

THE FUTURE LOOKS BRIGHT FROM ANY DISTANCE

We've raised the bar even higher on our top-level, 1-chip DLP® projectors so you can raise your level of presentation. The PT-DZ870U is already a two-time award-winner, having achieved the Most Innovative Video Display Installation Product Award from 2014 System Contractor News and Best Video Projection Product/10K Lumen or Less from Rental & Staging InfoComm New Product Awards. Combine it with our Ultra Short Throw Lens, the ET-DLE030, capable of creating a 150" image in less than 4 total feet to project vivid, large-screen images virtually anywhere.
