The following 19 pages have been specifically designed to highlight new products that were released since our previous catalog was published. To help you discover these new lines and products, this "What's New" section will provide an overview and point you to the pages where you can read about each item in more detail.

We hope you enjoy all that this catalog has to offer you. To see even more products than we can represent in the limited pages of this catalog, please visit us online at [fullcompass.com](http://fullcompass.com), or call a Sales Pro at 800-356-5844 for assistance and sales quotations. We have also produced special supplements for our Education and House of Worship customers, available for download on our web site. Manufacturers a full range of high-performance bass and acoustic amplification products.

Creators of innovative, hand-made electric guitar pedals.

A wide range of DMX controllers, RDM devices, distribution devices, LED lighting, cables and accessories.

Founded in Brooklyn, New York, Gretsch has grown to produce some of the world's greatest drums.

Innovative gear transport solutions for DJs, photographers, cinematographers and other creative professionals.

Manufacturers of world renowned guitars, hollow bodies, basses, acoustics, amplifiers and electronics.

A leader in visual communications producing DLP projectors, thin displays and more. Bright ideas made brilliant!

Jet City develops gear for guitarists at a great value including heads, cabinets, combos, and pedals.

Kemper created the Kemper Profiling Amp - a device that digitally captures the sonic imprint of guitar amps.

An industry leader for over 20 years! Provider of high-quality products and solutions for the pro AV installer.

Producers of some of the finest acoustic guitars in the world for nearly 180 years.

Experts in the development of musical software, Nomad Factory provides creative solutions for music production.

A second generation of American boutique pedal makers that are redefining the stompbox for today's musicians.

Makers of an acoustically transparent material that eliminates plosives and breaths, but doesn't affect the sound.

Developers of virtual instrument guitars and basses, as well as a selection of sample libraries.

Provides cutting edge tools for studio engineers and musicians such as amplifiers, effects pedals and processors.

Producers of easy-to-use production switchers, APCs, servers, CGs, gear and routers for the video industry.

Manufacturer of industrial strength console and clip-on tuners for guitar, bass, violin, ukulele and more.

Creators of innovative guitar effects pedals for a variety of uses, featuring the award-winning SoundBlox pedals.

A pioneer in control technology, URC offers a wide range of remote controls and complete automation products.

Manufacturer of an extensive line of visual display and presentation products using the latest technologies.

We offer over 700 top brands, low prices and outstanding service.
