GEPE CARDSAFE The CardSafe holders feature 3 or 4 multi-card compartments made with an anti-

static inner material and are shock-resistant, dust and weatherproof and float. The CardSafe Extreme is also crushproof, watertight and has an ergonomic lock and reinforced hinge. Available in black or neon yellow.

These easy-to-assemble kits are designed to provide camera support that is lightweight, comfortable, and inexpensive. Designed to combine the convenience of a flash bracket allowing you to mount a monitor, light, flash or mic on either side. The Flyer is not as heavy or cumbersome as a

full rod system. Developed with DSLRs in mind and the handles will not block your HDMI connections. The kits are compatible with all 15mm rail systems.
