MARSHALL ELECTRONICS PTZ CONTROLLER This programmable PTZ keyboard controller supports multiple protocols in each channel and easily uploads programming data via serial communication with its RS485/RS422 interface. Control up to 255 cameras with the 3-axis (variable speed/zoom) proportional joystick, numeric keypad and camera function keys, and/or computer mouse connected via USB. It has a built-in LCD with 2 lines of characters for easy operation and even supports individual user passwords. Furthermore, it allows for programmable transmission speeds for each ID. Operates with a single 9V battery.

ITEM	DESCRIPTION	PRICE
VS-TKC-100	PTZ keyboard controller	349.00

MARSHALL ELECTRONICS SD DOME CAMERAS

These standard definition cameras include a lense and 3.9" diameter dome. The VS-351 has .002 lux sensitivity with intensifier, and .3 lux at F1.3. The VS-551 also has 1.3 MP sensor with streaming up to 1280x960 at 22.5fps and a color mode with 1.5 lux sensitivity (.4 lux slow frame). Both feature live and dual streaming, motion and alarm inputs, composite output, and a vandal-proof dome. Also available with optional 24 IR LEDs.

ITEM	DESCRIPTION	PRICE
VS-351	D1 IP vandal-proof dome camera	449.00
VS-351-IR	As above, with IR illumination	539.00
VS-551	1.3 MP vandal-proof dome camera	699.00
VS-551-IR	As above, with IR illumination	739.00
