

LECTERNS

**Modern Designs for a Bold Statement**

- The Cambridge lectern displays a sleek contemporary design, accented with handsome wood trim.
- The Lancaster combines simple rectilinear lines with handsome bull nose styling for a design that will compliment any presentation venue.
- 25" Table top model sits on any surface yet performs like a full-size floor model.
- All models incorporate a high intensity reading light and LED digital clock/timer with countdown capability.
- See page 178 for premium sound system, height adjustment, custom logos and custom cut-outs.
- See page 168 for standard veneers, laminates, finishes and additional details on custom finishes.

**The Cambridge**  
 Handsome wood trim defines the edges of the Cambridge for a soft, contemporary look.
