# PRODUCTIONVIEW™ RACK ENCLOSURE

## Dual Bay Rack Enclosure for ProductionVIEW Controller and Other Rack Mount Accessories
### Model Number 998-5000-200

The Vaddio™ ProductionVIEW Rack Enclosure is a dual bay rack mounting system with an 8 RU upper bay, and a 5 RU lower bay. It is designed to install a variety of rack-mountable equipment, including Vaddio's complete line equipment. The lower bay can easily accommodate a variety of seamless switchers that are compatible with Super Joystick.

With the optional ProductionVIEW Slide Out Drawer system, a ProductionVIEW controller can easily be stored out of the way when not in use. Made of heavy gauge aluminum, the back panel has wire tie slots, and holes for mounting the enclosure to a tabletop. The black powder coat finish is durable and long lasting.

**Figure 1:**
Single Rack Enclosure (equipment not included)

### ProductionVIEW Rack Enclosure Features:
- Dual Rack Bay Design
  8 RU Upper rack bay (14" / 35.56cm) with a receding slant of 25 degrees
