 AA Battery
 Warranty Card

Color: Black
 UPC Code: 027242788176

1. Requires home network with a connection speed of at least 2.5 Mbps recommended (10 Mbps for HD content). Video quality and picture size vary and are dependent upon broadband speed and delivery by content provider. Premium content may require additional fees and/or PC registration.
2. Application must be downloaded from the iTunes application store. Requires that the Blu-ray Disc Player and the iPhone® or iPod touch® be connected to the same wireless network.
3. 1080p playback and upscaling require HDTV with HDMI™ cable (sold separately) and equivalent display capability. Upscaled image quality will vary.
4. Requires Internet connectivity. Some disc titles may not be supported by the Gracenote™ service.
5. Requires internet connectivity and use of BRAVIA® Internet Video functionality.
6. Unit has built in support for the UWA-BR100 USB Wi-Fi Dongle (sold separately)
7. Requires home network and DLNA enabled device (such as a PC). Firmware update required for DLNA functionality (available July 2010).
8. Not all USB devices are supported. Please check Owner's Manual for compatibility.
9. 1080p playback requires HDTV with HDMI™ cable (sold separately) and equivalent display capability and supporting media.

10. Requires home network with a connection speed of at least 2.5 Mbps recommended (10 Mbps for HD content). Video quality and picture size vary and are dependent upon broadband speed and delivery by content provider. Premium content may require additional fees and/or PC registration. Netflix requires unlimited membership for feature functionality. Pandora will be available in the Spring of 2010.
