## More Than Just I/O

## Fast H.264 encoding too!

Take your input, output, monitoring, and encoding toolbox with you wherever you go – in the studio, on set, and on the road. Use it with a laptop or desktop, Mac or PC. Work with virtually any camera, codec, monitor or deck out there. Streamline editing with your favorite applications including Final Cut Pro, Adobe Premiere Pro, Photoshop, and many more.

Turbocharge your H.264 encoding with Apple Compressor, Telestream Episode and Adobe Media Encoder using the unique Matrox MAX technology. Deliver files for Blu-ray, the web, and mobile devices faster than ever before.

For the ultimate in quality, convenience, and flexibility, choose the Matrox MXO2 device that's right for you.
