

WESTONE real

ES3

elite series
CUSTOM MONITORS

TAP INTO YOUR EMOTION
TRUE THREE-WAY DESIGN
YOUR FIT, YOUR SOUND

Guitarists and vocalists listen up, the Westone ES3 has been tuned specifically to provide you with an indispensable stage tool to take your performance to the next level. A true three-driver system, the ES3 delivers sparkling highs, clear mids and a tight low-end with an added "bump" in the mid-range frequency response. With up to 25dB of ambient noise reduction, the exclusive Westone flex-canal body is both comfortable and durable.
