

WESTONE real

ES3X

elite series
CUSTOM MONITORS

THE STANDARD
TRUE THREE-WAY DESIGN
YOUR FIT, YOUR SOUND

The Westone ES3X is the standard by which all other custom in-ear monitors are judged. A well-balanced true three-driver system, the ES3X is silky smooth across all frequencies making it an ideal in-ear for the performing musician, audiophile and home / field recordist. The exclusive Westone flex-canal acrylic body is both comfortable and durable. Provides 25dB reduction of ambient noise.
