

## DUAL 15 WORKSTATION

●●●●● ARGOSY.

Imagine -  
then transform.

**TRANSFORM** your computer-based system with the styling and efficiency of a Dual 15 workstation. The name is derived from two 15° angles in the desk's design, giving it both enhanced utility and a unique appearance.

Your dream studio  
just got closer.

# DUAL 15

## FEATURES AND TECHNICAL SPECIFICATIONS

- Designed with two 15 degree angles for a wrap-around feel
- Full Length Padded Armrest (standard Dual 15 models)
- Powder Coated Steel Legs
- Integrated Rack Modules (see page 66)
- Internal Cable Trunking for Wire Management
- Powder Coated Finish on the Upper End Panels

Dual 15 and 15K workstations are shipped disassembled for easy installation. \*Free shipping within the continental United States. Chassis components are made of 19mm and 32mm MDF to provide durability, strength, and density for minimal acoustical influence. Chassis design defeats thermal buildup and permits easy cable access. Enclosed utility area separates, conceals, and protects vital gear and cabling. Optional rack modules provide flexibility to accommodate different system configurations. Patented design.

# DUAL 15

## FEATURES AND TECHNICAL SPECIFICATIONS

DR800

Dim. A: 36.0"
