

Unbelievable low price. Unbeatable value.

The InFocus IN114ST is not only one of the lowest cost projectors we've ever sold, but also has one of the longest-lasting lamps – for incredibly low total cost of ownership.

This value-packed projector is easy to buy and built to perform with high brightness, high contrast ratio and BrilliantColor™ technology. Plus, its slim, compact design and light weight make it as easy to move around as it is to install.

Why choose IN114ST?

- Ultra-low purchase price
- Long life lamp of up to 6,000 hours lowers costs even more
- Short throw lens for big images in tight spaces
- High 4000:1 contrast ratio
- Slim design and weighs only 2.17 kg
- Accurate and vivid colour reproduction with BrilliantColor technology
- 3D technology supports up to 120 Hz frame rate

Lowest Total Cost of Ownership

The IN114ST is the lowest priced office/classroom short throw projector we've ever offered, and its lamp lasts 50% longer than the previous generation. There aren't even any filters to replace. It's an unbeatable value.

Compact, Slim and Light

The IN114ST is small and lightweight for easy portability from one room or building to the next. It's slim design is only 70 mm tall and weighs only 2.17 kg.

IN114ST

XGA (1024 x 768)
2500 lumens
Short throw lens

Connectivity

VGA x 2	S-Video
Composite Video	3.5 mm audio in
RS232	3.5 mm audio out
Mini USB	Monitor out (VGA)
(control & firmware)	

High Brightness and High Contrast

The image quality of this projector will not disappoint. With 2500 lumens, this projector will give you bright, clear images with the lights on and the high 4000:1 contrast ratio adds sharpness with darker blacks and whiter whites.

Preset modes give you the best image quality on a beige wall, whiteboard, blackboard or other surface.
