X2

## X 2

Upgrade your XBOX 360 with the X 2 – and hear to win with Sennheiser sound. The robust, comfortable build of headset and in-line volume control give you lots of great game time on XBOX LIVE®, at an affordable price.

And because clear talk with fellow players is a must for true gaming action, the X 2 features quality noise canceling microphone.

Benefits and features:

- Sennheiser sound – hear your teammate or opponent on XBOX LIVE® in clear quality without having to strain your ears
- Durability at great value – robust build designed to last
- Noise canceling clarity – the microphone is highly sensitive, so you can talk to your teammate or opponent without needing to shout
- Light and comfortable – play for hours on end and forget that you're even wearing a headset
- Easy controls – easy-to-use volume control and mute switch built into the cable for quick access
- Keep one ear free – the single-sided design allows you to hear the game's audio on the TV while chatting via XBOX LIVE®
- 2-year international warranty
