

Arketto

Words such as elegant, innovative, extremely flexible and a fine source of light characterize the task luminaire Arketto.

TECHNICAL INFORMATION

Design: Yaacov Kaufman

Words such as elegant, innovative, extremely flexible and a fine source of light characterize the task luminaire Arketto. The novel choice of materials – like the textile covered goose neck – combined with extreme versatility – makes Arketto perfect for office as well as domestic use. Now provides asymmetric lighting.

Light source: 40W halogen lamp

Arm length: Max. 950 mm (37.4 in.)

Mounting: Table/Desk Base, Floor Stand, Edge Clamp.
Also available as a wall version.

ARKETTO
