

DOTZ FLOOD™

ADJ's Dotz Flood is a Wash/Blinder fixture with advanced COB LED technology. This fixture is powered by 6, 30 watt RGB COB LEDs that provide smooth color mixing and no RGB shadowing effect. The DOTZ Flood 60 degree beam angle can be regulated with its barn doors for precise light coverage and can be controlled via DMX, ADJ DF FC (wireless foot pedal controller), or ADJ UC3 series controllers. With its exciting built in programs, and excellent light output the Dotz Flood is perfectly suitable for stage, theatre, houses of worship, nightclubs and bars.
