

# ANY SPOT TRAVELER 10

AS-TV10

## ALL INCLUSIVE PORTABLE PA SYSTEM

The Galaxy Audio AS-TV10 Traveler is a battery or AC operated portable PA system. The Traveler is designed for people who need portable, lightweight, "all in one" PA systems that allow for a quick and uncomplicated setup. This compact system features a 10" woofer, 1" horn, 150-watt amplifier, and can be configured in a variety of ways to meet your specific needs. Features of the standard Traveler include 4 Inputs: XLR, 1/4", RCA, & 1/8" each with its own volume control, a 2 Band EQ, and a Master Volume Control. Audio Outputs include a dual RCA Line Out and a 1/8" line out. The durable ABS enclosure features a convenient carry handle and a provision for standard pole mounting. The AS-TV10 has a retractable handle and durable skate-type wheels for easy mobility.

The Traveler has a unique "plug in" modular design, which allows optional Function Modules to be easily added or removed. Optional Modules include Wireless Mic Receivers (with Handheld, Headset, & Lapel options), multiple media players, and the choice of either an Echo unit or an Audio Link Module, which wirelessly transmits the entire audio mix from one Traveler to any number of satellite Travelers. Since all the Modules are internally wired, no external patching is necessary.

The Universal Power Supply/Battery Charger allows the Traveler to be used anywhere in the world. The Traveler will operate for an unlimited time on AC power and approximately 6 hours on battery power. If a power failure occurs when operating on AC, the Traveler will seamlessly switch over to battery power. A full recharge of the batteries is approximately 4 hours. The Traveler may be operated while recharging the batteries without affecting the charge time.

**BATTERY OPERATED WIRELESS SPEAKER**

#### AS-TVHH/AS-TVHHC

- 96 Selectable Channels
- Channel Selector
- LCD Display
- Condenser Capsule (AS-TVHHC ONLY)
- Dynamic Capsule (AS-TVHH ONLY)
- Built-in-Antenna
- 3-Bar Battery Condition Indicator
- Hi/Low Volume + Mute Switch
- Functions from 2 AA Batteries (14 hours)
- DC Charging Input
- 8.3 oz. (280g)

Optional colored caps available

#### AS-TVH2

- Condenser Handheld
- 96 Channels
- Lightweight Compact Size
- Channel Up, Set & Down Selector
- Back Lit LCD Display
- Hi / Low RF Switch
- Talk/Mute Soft Touch Button
- Two Power Settings 10mW, 1mW
- Runs on 2 AA Batteries (about 12-16 hrs)
- Charging Base Terminals

#### AS-TVMBP

- 96 Selectable Channels
- Channel Selector
- LCD Display
- Belt Clip
- 3-Bar Battery Condition Indicator
- Mute Switch
- Mic Input
- Aux Input
- Functions from 2 AA Batteries (14 hours)
- 4.4 oz. (170g)
- Available with the HS-U3BK headset or LV-U3BK lavalier

#### AS-TVBP

- Pendant Transmitter
- 96 Channels
- Lightweight Compact Size
- Soft Touch Buttons
- LCD Display
- Built in Microphone
- External Mic input
- Auxillary Line Input
- Two power settings 10mW and 1mW
- Rechargeable Lithium Battery
- Single Charger Included
- Contacts for Optional Cradle Charger
- Removable Belt Clip

#### HS-U3BK

- Uni Directional Element
- Freq. Response 50Hz - 18kHz

#### LV-U3BK

- Uni Directional Element
- Freq. Response 50Hz - 19kHz

#### Optional DC chargers

**AS-DCTVHH**  
For AS-TVHH & TVHHC

**AS-DCTVMBP**  
For AS-TVMBP, AS-TVBP, & AS-TVH2

**AS-DCTVBP**  
For AS-TVBP, AS-TVBP, & AS-TVH2

**PROTECTIVE SLIP COVER**  
**AS-TV10COVER**

#### AS-TXRM

- 96 Selectable Channels
- Channel Selector
- RF and AF indicator
- Volume Control
- LCD Display
- Table Top/Rackmount Transmitter
