

HR Pro Series VGA/QXGA w/Stereo Audio HD15 pin Plug to Plug Cables

Comprehensive HR (High Resolution) Pro Series cables are "Comprehensive Classic" professional grade cables that provide excellent performance and value. That's why since 1974, they have been in use worldwide in stadiums, studios, stages, boardrooms, classrooms, schools, government installations and well, pretty much everywhere! HR Pro Series Cables cables are perfect for anyone looking for excellent quality at great price. Don't be fooled by cheap imitations, there is no equal to Comprehensive HR Pro series HD15 VGA cables. These cables are true high resolution construction with three individually 95% shielded 26 gauge coaxes for maximum signal transfer and high resolution video and graphics. The entire cable is then 100% shielded with a foil shield to eliminate EM and RF interference, even over long distances. A durable low profile mold provides maximum strain relief and durability. Comprehensive goes the extra mile with machined pins which ensures the strength of each pin, to make sure they do not bend or break as imitation cables often do. Comprehensive HR Pro series cables provide thousands of connections and a lifetime of worry free use. UL and RoHS compliant. Lifetime Warranty.

When it has to work, it has to be Comprehensive!

VGA CABLES

Features

- HD15 Male to HD15 Male
- Combined Stereo 3.5mm Mini Plug Cable for audio
- 26 Gauge low loss construction supports high-resolution imaging up to QXGA 2048x1536
