

UNIVERSAL **UM PRO 50**

Westone®

- Superior sound isolation for stage or studio
- 5 Balanced Armature Drivers (Per Unit)
- EPIC Replaceable Cable

HIGH PERFORMANCE EARPHONES

Ideal for:

On-Stage Monitoring, Home or Studio Recording

Westone True-Fit Technology

50+ years experience with in-ear applications has yielded a low-profile, lightweight, universal earpiece which delivers maximum comfort and in-ear coupling for dynamic transfer of sound.

Balanced Armature

Westone's balanced armature drivers are significantly more compact and efficient than traditional dynamic drivers. By combining multiple balanced armature drivers with sophisticated crossover networks, Westone monitors provide enhanced sonic detail and frequency range that extends well beyond typical in-ear solutions.

EPIC Replaceable Cable

Westone's robust EPIC replaceable cable is constructed of bifurcated, high-flex, ultra-low resistance tensile wire, reinforced with a special aramid fiber, and braided for ultimate durability, acoustic transparency, and isolation from mechanical cable noise. The replaceable audiophile connector makes this solution conveniently user-removable and replaceable.

Designed & Assembled in the USA

Meticulously built by a staff of dedicated artisans and lab techs, Westone's USA products exhibit a level of craftsmanship that truly embodies America's rich history of handmade artistry.

Hand-crafted in Colorado Springs for musicians by musicians, the Signature Series is the premier product for music playback and monitoring. Designed with five balanced armature drivers and a three-way crossover, the UM Pro 50 is the pinnacle of design, comfort and fidelity.

UM PRO 50 Specifications

SENSITIVITY:	115 dB @ 1 mW
FREQUENCY RESPONSE:	20 Hz - 20 kHz
IMPEDANCE:	45 ohms @ 1 kHz
PASSIVE NOISE ATTENUATION:	25 dB
DRIVER:	5 Balanced Armature Drivers with 3-Way Passive Crossover
WEIGHT:	0.445 ounces / 12.7 grams
CABLE:	EPIC Replaceable Cable
CABLE LENGTH:	50" / 128 cm
FEATURES:	Premium comfort tips, mini-monitor vault, cleaning tool, and 2-year warranty

Designed and Assembled in Colorado, USA
