SATA DVD/CD Duplicator

Your Perfect Duplication Solution

Need to distribute your DVD/CD discs fast and easy? The new EZ Dupe SATA DVD/CD duplicators are your answer. From high-definition video to multimedia presentation, the EZ Dupe SATA DVD/CD duplicators effortlessly produce multiple copies at a time. Standalone operation, user friendly interface, and superior reliability make the EZ Dupe SATA DVD/CD duplicators ideal for video production, photographers, medical imaging, business, and personal use. You will be steps ahead of your competition.

Features:

- **SATA Advantages** - Thin cables for easy routing and improved cooling inside the duplicator chassis, increasing product reliability.
- **Now Available in up to 15 Targets** - Various options to fit your specific needs. Select from 1 target through 15 target.
- **Master Error Proof** - MEP prevents duplication failure caused by disc errors. Simply exchange the failed master disc with a working disc without interrupting the duplication process.
- **Dynamic Hard Drive Partitioning** - DHP automatically adjusts hard drive partitions based on the size of your master disc.
- **Smart File Organizer** - Organize and access your master files using alphanumeric naming combinations for each disc image.
