

Universal Projector Mount Kit

110-4089U-LC

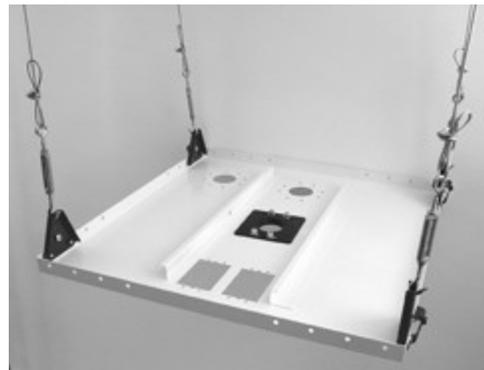

This universal mount offers multiple ceiling mounting methods and includes everything you need for a quick installation.

- Universally supports most invertible projectors
- Dynamically adjustable mounting legs for a customized installation
- Quickly and easily remove the projector from the ceiling without having to re-adjust the mount configuration.

Easy to install and a flexible solution, the 110-4089U-LC includes a 2' x 2' plate designed to sit above the suspended ceiling, unseen and secured by safety wire. There are nine possible mounting hole positions with plates containing threaded ends for accepting the 1 1/2" NPT extension column. This offers great flexibility for mounting.

Comes with wire panel support, electrical box, cross tee support, screw lags and grommet, projector cable lock, and fixed white extension column 6" length 1.5" diameter.

- Includes 1 1/2" NPT extension column, 6" length
