

**Maximize collaboration and productivity using eBeam Edge Battery Pack.**

## Greater Flexibility in Your Workplace

The eBeam® Edge™ Battery Pack gives the eBeam Edge Wireless even more power. The eBeam Battery Pack lets you move untethered around your office or conference room, instantly transforming any flat surface into a dynamic environment without cords or cables.

### You Are Now Free to Move About the Office

No matter where your computer is located, the eBeam Edge Battery Pack lets you use your Edge Wireless on a slew of surfaces to create interactive presenting and collaboration hubs on the fly—digital displays, collaborative work tables, flip charts, and more. Because the eBeam Edge Battery Pack eliminates cables, you can also keep clutter to a minimum.

### Ultra-Portable and Convenient

The Battery Pack is lightweight, slender and sleek. When attached to the eBeam Edge Wireless, the combo is compact enough to transport in your pocket or laptop bag—or secure in your desk drawer. The Battery Pack delivers up to 12 hours of continuous use with eBeam Edge Wireless, which gives you a full week of typical use. The Battery Pack automatically shuts off after 30 minutes of inactivity, conserving power. You can fully recharge the device in less than three hours over USB.

### Simple Clip-On Setup

The Battery Pack was carefully crafted to integrate with the contours of the eBeam Edge Wireless. It clicks on easily and sports a panel of LED indicators, which indicate, at a glance, the battery-life status.

# Benefits

## Mobile Interactivity is Essential

Create multiple interactive environments in your workplace

Enjoy greater freedom and mobility without feeling tethered to a whiteboard or display

Transform underutilized workspaces into exciting new collaborative environments

Engage and inspire teams in new ways and make them more invested in project outcomes

Energize meeting participants with interactive approaches to presenting

Simple setup so you can focus on goals and objectives

No cables, keeps meeting spaces organized

Portable design lets you take it with you on the go

Share with colleagues and maximize collaboration opportunities

Cordless feature enables you to store or lock system in your cabinet or desk for extra security after your work day

## Flexible, Efficient & Intuitive

A full charge will give you up to 12 hours of continuous use, approximately one full week of typical use

Handy battery-life indicator gives you details on its status in five increments

Ready to use out of the box.

Automatic shut-off mechanism to preserve power

## For Use With

- eBeam Edge Wireless
- eBeam Edge Bluetooth

# Technical Specifications

## eBeam Edge Battery Pack

- part number:46003150
- battery type: Lithium-ion
- battery life: up to 12 hours
- charge time: approximately 3 hours\* – ready for 1 hour of wireless use after just 15 minutes of charging.
- power specifications: 5V, 1A
- weight: 2.7 oz (85 g)
- dimensions: 8.05 x 1.9 x 0.9 in (205 mm x 48 mm x 24 mm)
- dimensions of Battery Pack and eBeam Edge when connected together: 2.07 x 2.5 x 0.9 in (205 mm x 65 mm x 24 mm)
- features: Power Button, 5-LED power indicator strip, clip-on attachment to eBeam Edge, magnetic attachment to interactive surface.

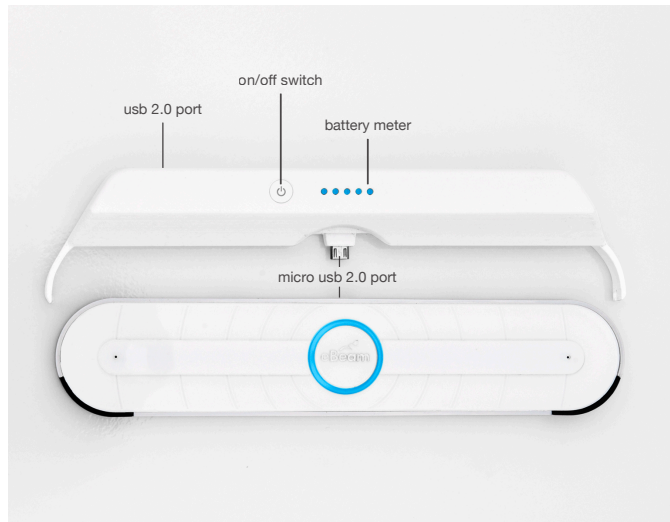

\*Using a 5W USB power supply. Charging will take longer with power supplies under 5W.

## Package Contents

- 1 eBeam Edge Battery Pack
- Getting Started Guide
- Warranty and Registration Information Card

## Warranty

- 2 year limited
