## Luxury Velvet Fixed Frame Wall Screen

Rich black velvet covered aluminum frame and micro-textured surface optimized for HD, the LuxFrame is striking to the eye and a breeze to assemble.

**A ShowPiece In Black Velvet.** Specially designed to absorb stray projector light our black velvet trim and class leading 3.15 inch aluminum frame provides one of the most advanced fixed frame screens available.

**Exclusive Rod & Clip Tension System.** With uniform tension that virtually eliminates screen surface anomalies; the LuxFrame tension system provides an amazingly flat, distortion free surface.

**Mounting Made Easy.** Included is all the necessary hardware for a simple wall hanging. And unlike cheaper, heavier poly resin and chipboard based frames, our high grade aluminum LuxFrame is amazingly lightweight and strong making mounting easy and safe.

**MicroTex Surface Optimized for HD.** Designed with even more surface density than our standard Ultra3 the MicroTex surface provides home theater lovers and gamers with even tighter imaging and contrast.

**Fast, Integrated Setup.** From the time you open the box you will be able to assemble your screen in minutes. It really is that simple. The hardware, framing, and display surface are all designed for effortless integration.

**Popular Sizes & Ratios Always Available.** Our LuxFrame fixed frame wall screen comes in the most popular sizes and for conference room and home theater installation.

**Twice The Warranty At No Extra Charge.** Double what most others provide, our 2-year warranty backs up our commitment to quality with extra peace of mind at no extra charge.

**Committed to Providing a Greener Future.** All RecordexUSA screens are manufactured in compliance with RoHS Directive 2002/95/EC (Restriction Of the use of certain Hazardous Substances in electronic equipment). This compliance helps to ensure a healthier and greener environment for everyone.

**Attention To Every Detail.** Screens are all about details. They must be made by hand using the latest in high precision equipment to guarantee uniformity. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous quality assurance. Our factory is fully ISO 9001:2000 certified to ensure excellence every time.
