

SKU# **HOG415**

The Miniwing 4™, with its ultra-compact and sleek styling is equally at home next to a console or as part of a standalone Hog 4 PC system. It provides 10 additional faders, for the Hog 4, Full Boar 4, Road Hog 4, and Hog 4 PC software. It uses the same high quality controls as found in the Hog 4 range of consoles, ensuring responsive and reliable operation. One Hog LED desk light is supplied, fully dimmable and software controllable.
