

Pro AV/IT CAT6 Shielded Heavy Duty Snagless Patch Cables

Comprehensive's Pro AV/IT CAT6 Shielded Heavy Duty Snagless Patch Cables are designed specifically for the most demanding commercial environments as well as HDBaseT applications!

Comprehensive's Pro AV/IT CAT6 Shielded Heavy Duty Snagless Patch Cables are rugged, durable, built to last, and are Shielded to help reduce interference in noisy environments. What makes these cables so unique is they are engineered using high quality, pro grade 23 gauge twisted pair construction that is then reinforced with a second heavy duty PVC jacket - making these the only CAT6 cables for the demands of commercial applications of SMB, Government, Military, Rental and Staging and more. Pro AV/IT CAT6 Shielded Heavy Duty Snagless Patch Cables also provide up to 550 Mhz bandwidth for ultra-fast high-speed signal transmission. Comprehensive Pro AV/IT CAT6 Shielded Heavy Duty Snagless Patch Cables meet all CAT6 TIA/EIA standards. Each, individual pair is attached together to ensure proper spacing between the twists of the wire which greatly reduces loss compared to standard 100Mhz cable.

PATCH CABLES

Features

- Perfect for all HDBaseT applications
- The ideal solution for demanding environments including Staging, Military, and Education
- Shielded construction greatly reduces EMI
- Heavy Duty 23 Gauge Pro Grade Construction
- Constructed with Comprehensive's Accu-Twist Design
- Length indicators on the connector heads make it easy to organize for installations
- Boots available in 7 colors for easy cable identification
- Rated CAT6 with up to 550 Mhz High Speed
- Meets all Category 6 568B 2.1 Draft 9 TIA/EIA standards
- RJ45 Male to RJ45 Male
- Snagless boot for easy installation
- Re-enforced heavy duty jacket
- RoHS Compliant
- UL Rated CMP
- Lifetime Warranty

Specifications

- Connector Type 1: RJ45 Male Shielded
- Connector Type 2: RJ45 Male Shielded
- Gauge: 23AWG
- Performance Grade: Great
- Bandwidth: Supports voice/data/video distribution applications up to 550 MHz
- Standards: Meets all Cat6 TIA/EIA standards, Verified to EIA/TIA 568B.2
- Cable Style: Shielded cable with Molded snagless boot
- Conductors: 4 Twisted Pairs Bare copper solid cable
- Conductor DC Resistance: 9.8 Ohm at 100m maximum
- Connector Material: Polycarbonate
- Contact Material: Copper alloy plated with 50u gold
- Jacket: PVC
- Jacket Color: Jacket Color: Black, Blue, White, Grey, Red, Green, and Orange
- RoHS Compliant: Yes
- Warranty: Lifetime
