

Ocean Matrix OMX-SDI-HDMI 3G HD-SDI to HDMI PRO Converter

Catch the Wave!

The Ocean Matrix OMX-SDI-HDMIPRO is a low cost 3G-SDI/HD-SDI/SD-SDI to HDMI converter with a looping SDI output and includes a scaling switch making it compatible with more devices. It also functions as a line amplifier pushing SDI signals 328 feet.... Indefinitely when cascaded! Perfect for monitoring broadcast video production signals on HDMI or DVI Display's. Part of the Ocean Matrix CleanLink series, this digital converter delivers a true and reliable signal with no transition loss.

INCLUDES

DC 12V/1A power adapter

FEATURES

- Looped SDI output
- Digital 3D comb filter
- OSD display of input/output resolutions
- Auto detect resolution of HD-SDI, SD-SDI and 3G-SDI input signal

SPECIFICATIONS

Input	1 SDI
Output	1 SDI, 1 HDMI
Audio	Embedded audio, Synchronized output audio
Impedance	75
Power Consumption	5W
Power	DC 5-30V
Format	Auto detect HD-SDI, SD-SDI and 3G-SDI Input Signal.
Resolutions	SDI: 480i/60Hz, 576i/50Hz, 720P/50Hz/60Hz, 1080i/50Hz/60Hz, 1080P/24/25/30/50/60Hz
Output Resolutions	SDI: 480i/60Hz, 576i/50Hz, 720P/50Hz/60Hz, 1080i/50Hz/60Hz, 1080P/24/25/30/50/60Hz HDMI: 720P/60Hz, 1080P/60Hz
Dimensions (inches)	7.75x6.00x2.75
Weight (lbs)	0.59
Warranty	1 year
