

JS-GHG25 WALL MOUNT *Guitar/Bass Hanger with Adjustable Yoke*

A Great, Simple Wall Mount!

Sometimes the simple approach is the perfect approach! Say hello to the JS-GHG25 guitar hanger. Sporting a no-nonsense attitude, the JS-GHG25 is an all-steel design with soft, black rubber padding. It will securely hold your electric, acoustic, or bass guitar on the wall of your home studio, bedroom, office, or rehearsal space. We've included mounting hardware and the yoke of the JS-GHG25 is intended to rotate slightly to accommodate non-symmetrical headstocks.

JS-GHG25 Features:

- Securely holds electric, acoustic, or bass guitars
- Wall mount hardware included
- Constructed of strong steel
- Soft, black rubber padding
- Yoke rotates to accommodate various headstock designs
