STINGER SPOT

The Stinger Spot is a mini Moving Head with a bright 10-Watt LED source. Its compact size and lightweight makes it ideal for mobile entertainers, small club and bars, roller rinks, bowling centers or any mobile production.

Featuring 7 colors plus white, 7 gobo plus spot and separate color wheels, the Stinger Spot will give pure lighting excitement with its fast moving beams and color changes. It has a pan and tilt inversion mode that makes one head do the opposite of another when linked together.

Other control methods include: Sound active with 4 built-in shows, or use a DMX controller to create your own light shows.
