

## Party Rocker Max Wireless Rechargeable Speaker with Multi-Effect Party Lights

### Energize your party with colorful lights and dynamic sound!

Take big fun with you wherever you go. The Party Rocker Max has everything you need to transform any get-together into a special occasion. With its powerful 8-inch 2-way speaker backed by a 100-watt dynamic amplifier, the sound is rich, vibrant and lifelike. Stream music wirelessly from any Bluetooth® device. The rechargeable battery lasts for hours, so your good times keep going.

The light dome and lighted grille electrify your space with six dazzling colors—Red, Green, Blue, Magenta, Orange and White. The lights change pattern and pulsate in time to the music. A high-quality microphone and cable are included and Party Rocker Max has a unique Echo Effect with dual microphone inputs so your Karaoke competitions sound like big-budget productions!
