

LB10-2PT-KIT

Lyra Bi-Color 2-Point Soft Panel LED Light Kit

ONE SHEET

Overview

Quality and affordability successfully combine together with the Lyra 2-Point Bi-Color Soft Light Kit. Designed specifically for the professional shooter, this incredible kit features high CRI LED chips paired with a soft diffusion panel. The LYRA Bi-Color Adjustable 1 x 1 panel allows you to dial in any color temperature ranging from 5600K to 3200K! It includes a wide, 110-degree beam angle, which provides the extra advantage of a nice, clean single shadow for subject lighting.

Adjusting color brightness is simple with a push of the large yellow button (on the back.) Add to that the strong steel tension knobs and 30-degree yoke allow you to use the light in any production environment! The large digital LED readout also makes it easy to quickly reference the light output with clear accuracy. This versatile light kit comes with Gold and V-Mount battery plates as well as intensifiers.

The LYRA 2-point light kit is ideally used for Documentary and ENG/EFP purposes. It includes two LYRA 1 x 1 Bi-Color lights, two heavy-duty stands, one light bag and one stand bag. With an equivalent wattage of a 850-watt (incandescent) soft light and a power draw of 150-watts, the LYRA 2-point light kit has it all!

LB10-2PT-KIT | Lyra Bi-Color 2-Point Soft Panel LED Light Kit | UPC Code: 847983017508

Special Features

- High CRI Chip LEDs paired with 1/2 stop soft diffusion panel
- Bi-Color adjustable from 3200K-5600K
- Bright consistent light across all color temperatures
- Beam Angle: 110 degrees
- Clean single shadow without artifacts.
- Baby 5/8 inch/Junior 1-1/8 Combo Pin adapter with right angle receiver hole.
- 30 degree angled yoke for unobstructed movement

Recommended For

- Studio Lighting
- Field Lighting

LB10-2PT-KIT

Features you need, Prices you want.

Strong, Bright Light

The high CRI LED chips and ½-stop soft diffusion panel can produce a strong, brightly diffused light.

Consistently Bright

What sets the Lyra soft lights apart from the competition is their ability to deliver a consistently bright light across all color temperatures at all times.

Wide Beam Angle

Each Lyra soft light features a 110° Beam angle that provides a large amount of soft light all on its own.

Clean Single Shadow

Lyra's soft lights create single shadows that produce more of a natural, clean shot.

Combo Pin Adapter

The Baby 5/8" and Junior 1-1/8" combo pin adapter makes it easy to attach to any grip stand.

Unobstructed Movement

The 30° yoke provides unobstructed movement of the light.

Steel Tension Knobs

The new steel tension knobs are built to be stronger and more secure. This allows you to lock the light in at any angle.

Single Knob Control

A single control knob makes it easy to adjust brightness, or color temperature at any time.

LED Readout

The new, brighter LED readout provides precise adjustments of light output.

AB & V-Mount

Battery flexibility is key when you're on-the-go.

Barn doors Included

Ikan's reliable barn doors with intensifiers make it much easier to shape the light as needed.

Maximum Power Draw

The Lyra Soft Light has a maximum power draw of 82-Watts, which allows you to plug into any AC Power.

850-Watt Equivalent

By comparison, the Lyra Bi-Color Soft Panel 1 x 1 LED Light is equivalent to an 850-Watt incandescent soft light.

RF Remote Control

Controlling multiple lights at a distance is possible with the RF remote control.

Specs

Light Source	900 0.2 Watt LEDs
Head Type	Bi-Color 3200-5600K
Lens	½ Stop Soft Diffusion
Beam Angle	110°
Control / Dimming	Knob Control
Build Material	Heavy Duty Resin Plastic
Cooling System	Passive Cooling
Fixture Size	14 x 14 x 3 In.
Fixture Weight	6 lbs
Yoke	Baby 5/8" and Junior 1-1/8" combo pin
Power Supply	Input: 110-220 VAC Output: 15VDC
Power Consumption	90W, 14-18VDC
Shipping Dimensions	18 x 18 x 24 In
Shipping Weight	31 lbs

Accessories

KCP-703	Stage Clamp w/ 16mm Stud
SW-04	Safety Wire
CV600	Chrome Exposure/Spectrometer from UPRtek
HD-STND	Heavy Duty Light Stand
ROLLR-STND10	2 Stage Roller Stand 10 ft 6 in
PWRGP-01	Power Grip
