

EVENT FACADE II BL

Lightweight, Portable, and Fast Set-up Facade

The ADJ Event Facade II BL is a great solution to professionally conceal your equipment and create an elegant professional look at the same time. Perfect for anyone looking for a lightweight, portable, and fast set-up facade to enhance their image. It comes with a black, lightweight, metal frame and black and white scrim. The stretchable fabric panels are easily removable for cleaning or can be interchanged for different black and white color combinations. Transportation and storage is also simple with the included carry bag. No tools necessary to set-up, break-down, or remove the stretch panels. The Event Facade II BL breaks down into four pieces, plus each frame breaks down in half for easy transport.

Specifications:

- Frames made of strong and light weight black metal
- With detachable hinges and frames - breaks down in half, now even easier for transport and for storage
- Includes removable white & black fire retardant scrim
- Includes a carrying bag to protect the frames and scrim during storage and transportation
- Scrim to be washed by hand in cold water, lay flat to dry. Do not twist to avoid deformation
