SPD-SX Special Edition Supplementary Manual

Thank you for purchasing the SPD-SX Special Edition.

SPD-SX Special Edition

The SPD-SX Special Edition is a special version of the SPD-SX, featuring a unique sparkling red finish and 16 GB of high-capacity memory. It can load data that you created using Live Lite, and can also be used as a controller for Live Lite.

About Live Lite

Download and install the software as described on the enclosed serial number card.

For details on operation and settings, refer to the Live Lite owner's manual.

Main Specifications
