

Vector Pro™ Plus

The Vector Pro Plus mount features a sleek, low-profile design to complement any projector and delivers multi-directional positioning (roll, pitch, and yaw) for proper image alignment. This mount is ideal for mounting applications in schools, boardrooms, or in the home. It features a discreet structural ceiling plate, complete Armor Lock™ security, and an extension column connector.

- Theft-resistant Armor Lock™ security
- Structural ceiling plate included (3" x 5")
- Multi-directional positioning with positive lock at any degree
- Ships fully assembled
