

# MixPre M-Series

Multitrack Audio Recorder | USB Interface

**MUSICIAN** **Kashmir™**  
MICROPHONE PREAMPS

The MixPre M-Series puts the fun back into music recording! This 2-in-1 device gives musicians a studio-grade multitrack recorder and high-performance USB audio interface to help singers, songwriters, and band members capture each moment of inspiration. Combining the ease of dedicated hardware recording with the essence of computer-based music production software, the MixPre M-Series is setting a new standard for what's possible from an audio recorder—igniting musical creativity anywhere and anytime.
